

# 2017-2018 KWHS Investment Competition

## Approved Stock List

- This list includes 418 stocks categorized under 11 different business sectors (identified in red).
- To ensure portfolio diversity, your team must invest in at least as many business sectors as you have team members.
- Trading outside this list is not allowed and will result in team disqualification.
- The OTIS simulation for the KWHS Investment Competition gives you direct access to this Approved Stock List when placing trades.
- This data is based on the Global Industry Classification Standard (GICS), a standardized classification system for equities.
